

Workers Compensation and Employers Liability Insurance Policy

WC 37 03 01

CHURCH ENDORSEMENT - PENNSYLVANIA

This endorsement limits your policy's coverage. Your policy will not provide workers compensation coverage for any of your employees who are also employed by any other mission, church or parish if you are also insured under a separate policy affording coverage to these employees.

Note 1: To be attached to a standard provisions policy affording coverage to a mission, church or parish which has employees who are solely employed by such mission, church or parish and who has in addition one or more employees who are jointly employed by the insured and any other mission, church or parish; provided this endorsement shall be attached to such policy only if such insured has Pennsylvania Workers Compensation and Occupational Disease Act coverage under a separate policy with respect to such jointly employed employees.

Note 2: The company may use its own attachment clause and method of execution.
