**RE: PCR B Filing No. 280 – Proposed Effective April 1, 2017  
Basic Manual Revision to Section 2  
Proposed Revision to the Employment Contractor – Temporary Staffing Cross  
Reference Chart**

Dear Commissioner Miller:

Resulting from a staff review and on behalf of the members of the Pennsylvania Compensation Rating Bureau (PCR B), we submit this filing to revise the PCR B Workers' Compensation Manual of Rules, Classifications and Rating Values for Workers' Compensation and for Employer's Liability Insurance (the Basic Manual). Previous PCR B Filing No. 275 was submitted to the Department on August 5, 2016 and proposed that Homeowners' Associations and Mobile Home Parks be reclassified from Code 971, Commercial Buildings, to the new and separate Code 888, Homeowners' Association. The Commissioner approved PCR B Filing No. 275 effective 12:01 a.m., April 1, 2017 for new and renewal business. PCR B Filing No. 275 omitted the proposed mapping of Code 888 to a corresponding "Employment Contractor – Temporary Staffing Classification." This filing proposes that Code 888 be mapped to Code 525, Employment Contractor – Temporary Staff, N.O.C. – Exposure Group F. Code 971 is presently mapped to Code 525.

This revision is proposed to be effective 12:01 a.m., April 1, 2017 for new and renewal policies. This proposed effective date is intended to make implementation of this change concurrent with the Commissioner's adjudication of PCR B Filing No. 275, the next anticipated electronic edition of the Basic Manual, and PCR B's next normal comprehensive annual loss cost revision, which was filed with the Department on November 21, 2016 and corrected on December 1, 2016. In light of the intended coordination of this filing, PCR B respectfully requests your prompt review and approval. PCR B appreciates your timely response and will gladly address any questions your or the Department staff may have.

Sincerely,
