**RE: PCRB Filing No. 299 - Section 1 Rule IX H.
Pennsylvania Construction Classification Premium Adjustment Program
Revisions to Qualifying Wages, Table of Hourly Wages and Premium Credits**

Dear Commissioner Altman:

The Pennsylvania Compensation Rating Bureau (PCRB) hereby submits on behalf of the membership, a filing to update provisions of the Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP). This program was implemented effective January 1, 1991 and since July 1, 1992 has been revised annually to reflect changes in statewide average wage levels and to update specific references to time periods.

The proposed changes are made to the PCRB Workers Compensation Manual of Rules, Classifications and Rating Values for Workers Compensation and for Employers Liability Insurance. These revisions are proposed to be effective 12:01 a.m., October 1, 2019 for new and renewal policies. This effective date is consistent with previous annual PCCPAP filings.

An Actuarial Memorandum, which provides specific details on this filing, is included with this submission.

The PCRB respectfully requests a prompt approval of this filing as presented. **Since applications for the PCCPAP are processed by the PCRB approximately six months in advance of policy effective dates, notifications to construction employers in the interim will make reference to this pending filing so that employers will be aware of these proposed changes.**

The PCRB will be pleased to answer any questions you or the Insurance Department staff may have. Please direct any questions to Ken Creighton, Chief Actuary.

Sincerely,

William V. Taylor
President

From: Ken Creighton, Chief Actuary

Date: March 22, 2019

Subject: **PCRB Filing No. 299**
Pennsylvania Construction Classification Premium Adjustment Program
Revisions to Qualifying Wages, Table of Hourly Wages and Premium Credits

This filing proposes the following changes to the Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP) for policies with effective dates on or after October 1, 2019:

- Qualifying wages are proposed to be based on the Third Quarter of 2018. This data will be available prior to the proposed effective date and represents a more current level of employment and wage activity for construction employers.
- The minimum hourly wage eligible for premium credit is proposed to be updated in accordance with the most recent change in the Statewide Average Weekly Wage (SAWW). This results in a proposed revision of the minimum wage eligible for PCCPAP premium credit from \$30.55 to \$31.30 per hour. The qualifying wage has been rounded to the nearest \$0.05, consistent with past practices.
- Consistent with procedural changes previously approved pursuant to PCRB filings pertaining to the PCCPAP 1995 through 2018, the revisions are proposed in the increments in qualifying wages that correspond to those in the PCCPAP table of premium credits.

As provided in prior years, the PCRB has constructed the table of qualifying wages so that the ratio of effective wages between successive credit increments is approximately 1.005568, the ratio of the first two effective wages for the July 1, 1995 PCCPAP table (i.e., $\$14.6828 / \$14.6015 = 1.005568$). Those values are taken from the first PCCPAP credit table, which was revised to incorporate varying wage increments for different credit levels. Consistent with past practice, the increments in minimum qualifying wages have been rounded to the nearest \$0.05, and table increments have been “smoothed” so that the increments in minimum wages are constant or increasing as wage levels increase. The resulting table, with calculated effective wages and ratios of successive effective wages, is shown in Exhibit A. Derivation of the minimum hourly wage eligible for premium credit is shown in Exhibit B.

PCCPAP Filing Effective October 1, 2019

Test for "Premium Reversals"

Minimum Wage (1)	Maximum Wage (2)	Average Wage (3)	PCCPAP Credit (4)	Effective Wage (3)x(1.0-(4)) (5)	Ratio (5) to prior (5) (6)

H. PENNSYLVANIA CONSTRUCTION CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM

1. The Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP) provides for a premium credit for up to one year for a policy which contains one or more construction classifications.

For policies subject both to a Pennsylvania Construction Classification Premium Adjustment Program credit and any retrospective rating plan the PCCPAP credit shall be applied in determining standard premium. Such adjusted standard premium shall then be used wherever standard premium would otherwise apply in determining retrospective rating plan values and amounts for the retrospective rating plan applicable to the same risk if no PCCPAP credit were applicable. PCCPAP credits shall not be applied to final retrospective premium either in lieu of or in addition to the above prescribed procedure.

The basis for determining the credit is the total payroll (including overtime premium pay) and hours worked for each construction classification as reported to taxing authorities. The applicable report periods vary according to the policy effective date of each policy, as set forth below:

Policy Effective Dates	Reporting Period for Qualifying Wages
October 1, 2019 2018 and later	Third calendar quarter of 2017 2018

Policy Effective Dates – October 1, ~~2019~~~~2018~~ and later
